

Trans Urethral Laser Ablation (TULA®) – Mr S. Agrawal

International TULA® Workshop 2024, London/UK

Learn how to use TULA® procedure

Faculty: Mr Agrawal

In the treatment of recurrent bladder tumors, the TULA® method provides a truly minimally invasive approach. The TULA® technique is a gentle and truly ambulatory method that can be used with flexible cystoscopy even without anesthesia. In conjunction with our partner Promed, biolitec® offers the following dates to interested urologists:

Choose your date:

April 17th

Mai 15th

June 12th

Laser treatment of a bladder tumor

Agenda:

Day 1: Arrival via Airport London Heathrow (15 min via taxi or 1 hr via train to hotel)

Day 2: Meeting in the lobby of the Hospital at 9:00 a.m., 4-6 Live TULA® procedures. Theory with tips and tricks by Mr Agrawal. Handing out the certificates. Estimated end at 5:00 p.m.
